NOV	**14**	**Martin Creek Lake State Park**	**US-3036**
DEC	**12**	**Bob Sandlin State Park**	**US-3023**

Everyone is invited to our Parks On The Air activations. We typically bring extra to help new people get on the air. We usually meet when the park opens, and stay until lunchtime or later. Many of us monitor 146.520 FM Simplex if you need help finding where we are set up. LETARC has a groups.io email reflector that has a lot of POTA Information and we advertise this information on our Wednesday night radio net at 8:30 PM Local Time on the 147.340 MHz LETARC/K5LET Repeater Come join us on the 2nd Saturday of each month for Parks On the Air!
